TLC MOVES FORWARD INTO 2021

The Transition Leadership Committee (TLC) is continuing to work within Countryside's mission and vision as the Christian Partner of Tri-Faith Initiative. All our communication thus far can be found at www.countrysideucc.org/future

The Interim Model of Collaborative Leadership provided the framework in December to post both the position of Interim Minister of Worship and Congregational Care, and the position of Interim Minister of Engagement and Formation, with responsibilities of the Tri-Faith Initiative partnership at Countryside. The TLC has already started receiving resumes to fill those positions.

During this period of discernment of 12-18 months, the TLC will move forward with the collaborative leadership model and hire two interim ministers to start the discernment process as a congregation, and move toward hiring our two settled ministers.

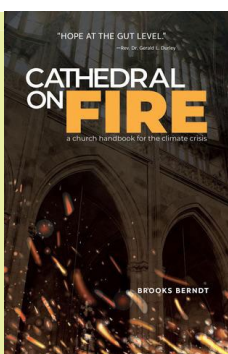

The TLC has hired a consultant, Mary Scifres, to have a professional change agent to help during our interim. Mary is also actively consulting with staff and leaders. You can learn more about Mary by visiting her website (www.maryscifres.com), her YouTube channel, her Facebook page, and her author page on Amazon.

This is an amazing opportunity as we move forward. We are working

literally every day to break down entrenched ideas of leadership by developing this Countryside collaborative leadership model, and move the church forward in the best interests of the staff and congregation. The leaders we are in conversation with, are old friends of Countryside, from across the country, who assure us that this transition is an opportunity to move forward into a bright new future. Some of these ministers and national leaders will be preaching in the coming weeks at Countryside. Worship planning is actively and energetically working within the collaborative model, and we're excited at the planning and work being done to bring Countryside meaningful and inspiring worship. The Moderators and Transition Leadership Committee sincerely appreciate the support we have received from you, as well as your questions and concerns. Together we all continue to move forward, listening to Spirit and where God has called us together in ministry.

- Tracey Halvorson and the members of the Transition Leadership Committee.

FAITH AND THE ENVIRONMENT TO START ALL CHURCH BOOK READ FOR LENT

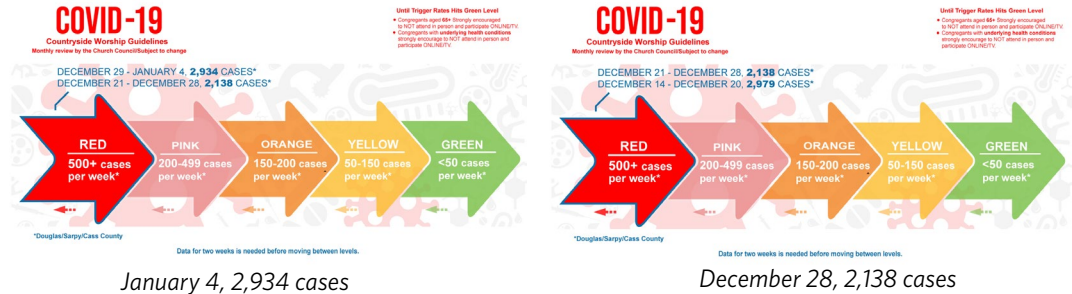

This is your special invitation to join the Faith and the Environment Committee's all church book read of "Cathedral on Fire", a handbook for congregations on climate justice. In this book, author Brooks Berndt, UCC Minister for Environmental Justice, calls us to commit ourselves to climate justice and take action in the way only faith communities can. The book is part of the church's Lenten focus on climate justice. Chapters explore such topics as the scriptural basis for pursuing justice for the planet and all its inhabitants, the rich tradition of theology in times of crisis and a counter-cultural ethic of generational justice found in the Bible. Book groups will be forming at the end of January with more details to follow. Books will be ordered by the church and we are asking for a \$5 free will offering for the book. When they arrive, books can be picked up at the church or arrangements can be made if you can't make it to church. **To have a book ordered for you, please register at countrysideucc.tpsdb.com/OnlineReg/1207, use a link in the C10, contact the church office or register on the church website at countrysideucc.org/learning-together/fate.** Together we can douse the flames of this fire before it's too late. Now is the time to join the brigade!

SUNDAY WORSHIP

WORSHIP REMAINS ONLINE

The Omaha metro has fortunately seen a decrease in COVID-19 cases over the past month but the church does not move to the next phase (PINK) until new cases are below 500 for two consecutive weeks. For a detailed explanation of our five-phase approach you can check the website at countrysideucc/covid19. The guidelines are reviewed on a monthly basis at Church Council meetings.

WORSHIP ONLINE AT KMTV CHANNEL 3 AT 10:30 AM

In January there are two ways to catch Countryside Community Church on Sunday mornings. The first is online through YouTube live which you can connect with at countrysideucc.org/live or on KMTV Channel 3. Both will begin at 10:30 AM.

NEW WORSHIP SERIES: GOD IS HOLDING YOUR LIFE, STARTS JANUARY 10

"The works of God's hands are faithful and just." - Psalm 111

Life is a series of exclamations from "O No!" to "Help!" to "Oh Yeah!" We can swing between disappointment, helplessness, and gratitude on a daily basis. There are also seasons of our lives when we feel inundated with more of one than the others. As we enter the new year, we had hoped we would be past the "O No!" of the last several months. Instead we find ourselves with ongoing prayers for "Help!"

The Book of Psalms knows all about this. Written over a span of time from exile and isolation to the

rebuilding of the community, the poetry of the Psalms will accompany us in this series, reminding us that through it all, we can trust and even give our thankful "Oh Yeah!" because God is, indeed, holding our lives.

Please let Diane Scott know if you are interested in attending a group and if you would like to be a moderator. 2020 is behind us, yet we know there will still be uncertainty and loss in the new year. How do we build resilience, not only to weather the long winter ahead, but as a life skill -- so that we may continue to support one another and work together to respond to the needs of our community?

Join us to connect with your neighbors for this Open Conversation about Resilience and Renewal, featuring Executive Director Wendy Goldberg and a community panel of guests

Where does art come from? How have different religions and faiths created their own forms of art and why? Join us for this special Abraham's Whiteboard, as we learn about the basic religious roots of art, and explore together the importance and beauty of religion and art.

Abraham's Whiteboard is a monthly educational class led by Education Director, Jeremy Fricke, on a wide variety of religious topics, from world religions like Hinduism and Buddhism to special topics like how definitions of religion impact our own religious identities. All Abraham's Whiteboard sessions are open to all people regardless of background, but will connect the content to Judaism, Christianity, and/or Islam.

Crucial Conversations: Creativity and Religious Expression

Thursday, January 14, at 6:30 PM via ZOOM

How do you express your creativity?

How does that expression connect to your religious or other social identity?

Join Program Director Amanda Crichlow Silva for this Crucial Conversation as we explore in community the intersections of creativity, art, and religious identity.

This Crucial Conversation expands on ideas discussed in Abraham's Whiteboard: Faith Becomes Art, Art Becomes Faith. Crucial Conversation attendees are encouraged -- but not required -- to attend or watch the recording of this month's Abraham's Whiteboard as well.

Crucial Conversations invite community members to come together to discuss the more difficult aspects of religion. Often at the intersections of race, ethnicity, gender expression, and sexuality, religion has played a role in limiting or erasing those identities. Yet, religion continues to play a large role within our society.

BOARD OF PASTORAL CARE'S 2021, THE YEAR OF "COURAGEOUS HOPE"

The Board of Pastoral Care has enjoyed presenting our multi-generational "Wisdom of the Ages" with you each month in 2020. Our newsletter feature for 2021 will be "Courageous Hope." The word "courage" derives from "cour," a French word meaning "heart." We'll be sharing heartfelt, courageous stories and examples throughout the new year. If you have a story or example to share, let Jan Brown know, please. Countryside is poised for a year of new beginnings, and we hope that our new theme will resonate with you. Below is our final feature for "Wisdom of the Ages," thank you for reading it, and thank you to all who've shared their wisdom and memories with us this past year!

From Valentine Wadhams:

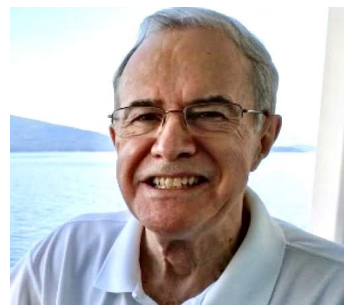

What has 2020 been like? 2020 has been hard. I miss going out, seeing my friends and going to school. What do I hope for 2021? I hope for coronavirus to be over, and then we can throw a party to celebrate. I also hope to see my cousins!

Valentine Wadhams

From Rev. Dr. Norman Pavey

My wife Sybil died this past April 13th. We were married nearly 53 years; reflecting on our life together, I realize more than ever how wise she was. We made all of our decisions together, and I miss being able to talk things over with her. She was compassionate, always ready to help others, and she had a gift for friendship. Sybil was an outstanding teacher, and our daughter, Sarah O'Leary, is also an excellent teacher. Sybil's experience, knowledge, and good judgment all contributed to her wisdom.

Rev. Dr. Norman Pavey

In the year to come, I plan on remembering these qualities and living them out in my own life with the people in the independent living facility where I live, at Countryside Church, and in the community. I am teaching a class on Centering Prayer, I have also agreed to become a Deacon at our church, and I plan on leading a weekly worship service at an assisted living place as soon as Covid 19 permits. May the Peace of God dwell richly in you, my friends.

THE BOX FOR JANUARY

In January the Box is hoping to receive warm blankets for children. The Blixt Locally Grown Company of Lincoln will be giving out blankets to school children for their beds to help them stay warm throughout winter's coldest months. They have been gathering them in November and December and will continue through January, February and March. We hope to be able to contribute a nice supply for them. They will take a twin size but would prefer a double size as it will work either as warmth under them and over them or they can share with a sibling. The BOX will remain in the entryway for your convenience or; if you order from Amazon, it will be delivered right to the church office. Thank you for your generosity. You have helped so many this year as families battle the pandemic, not only the illness itself, but also being out of work, losing homes, children not benefiting from being in school, food insecurity, etc. When we help others we are following the direction of God (Matthew 25: 35-36. Thank you for helping in any way you are able. To use Amazon go to countrysideucc.org/give and click The Box.

INFORMATIONAL CONGREGATIONAL MEETING - DECEMBER 27

Thanks to everyone who participated in our Church meeting on Sunday, December 27. The turnout was spectacular as there were over 170+ ZOOM participants, and many of those had multiple members of their household present on the screens! We hope to have more of these sessions in the future to allow more opportunities to come together as a congregation and have meaningful discussions.

Q & A

from All Church meeting

We've captured the questions regarding our interim period that were input into the Chat room during the meeting. There were also questions related to the reopening of the Church due to the Covid-19 suspension of services and those will be addressed in future CIOs or monthly newsletters by the Re-start Task Force.

Question: How was the Transition Leadership Committee (TLC) formed?

Answer: The TLC was formed after the resignation of Rev. Dr. Eric Elnes. Personnel Committee met and nominated members both from Countryside Leadership and past Boards to be on that team. The team members were then voted on by the Church Council in September.

Question: What does the Transitional Leadership look like as the process to call ministers goes on?

Answer: As shown on the timeline diagram (see below), after the interim ministers are in place, the discernment process to hire the settled ministers begins. A search committee will be formed consisting of members from each church board and 3 at-large members, as outlined in our Countryside bylaws.

Question: Can members who are not on the Transition team make requests about what they would prefer to see in a new minister? Can we seek larger input from the congregation?

Answer: The TLC team welcomes suggestions and encourages congregation input. Please direct your comments to: TLC@countysideucc.org. At the beginning of the process, TLC solicited input from the Church Staff, Church Council and leaders, as well as several members of the congregation and board members.

Question: How soon do you think we will hire the interim ministers?

Answer: The TLC has begun receiving applications and reviewing those. As the process moves forward, we will continue to review them as received. Our desire is to hire the best persons to fit the interim needs of our Countryside congregation and staff, but we are also conscious of moving expediently.

Question: Are we hiring one or two interim ministers?

Answer: We are seeking to hire two interim ministers.

Question: Are interim ministers usually retired ministers?

Answer: Some interim ministers are retired ministers, but many are young ministers looking to expand their experience and backgrounds. Other interim ministers are active ministers that enjoy helping congregations discern and find their settled ministers, and they move from church to church as a career choice.

Question: Is the Church looking to hire both a lead minister and an associate minister?

Answer: The TLC is looking to hire two equally yoked interim ministers to work with each other in the collaborative model that was presented to

Church Council and the All-board meeting in October. The structure of the Leadership Model for settled ministers will be discerned by the congregation and reviewed by the Search Committee, which will be established after the discernment process starts.

Question: Will the two interim ministers be considered for the permanent positions?

Answer: The interim ministers will lead and direct the discernment process, with full participation by all congregation members, to determine more fully the needs of the congregation in the settled minister positions. However, if after the discernment is complete, if either, or both, of the ministers wish to be considered for the permanent positions, that is an option.

Question: Under the collaborative model, will we have a rotation of ministers who give sermons, or will we have one person?

Answer: Both ministers will have the responsibility of giving sermons, but the Minister of Worship and Congregational Care will have this as their primary duty. Please refer to our posted job descriptions (link on page 6)

Question: Can you share with us 3-5 of the main characteristics or skills required for the two positions?

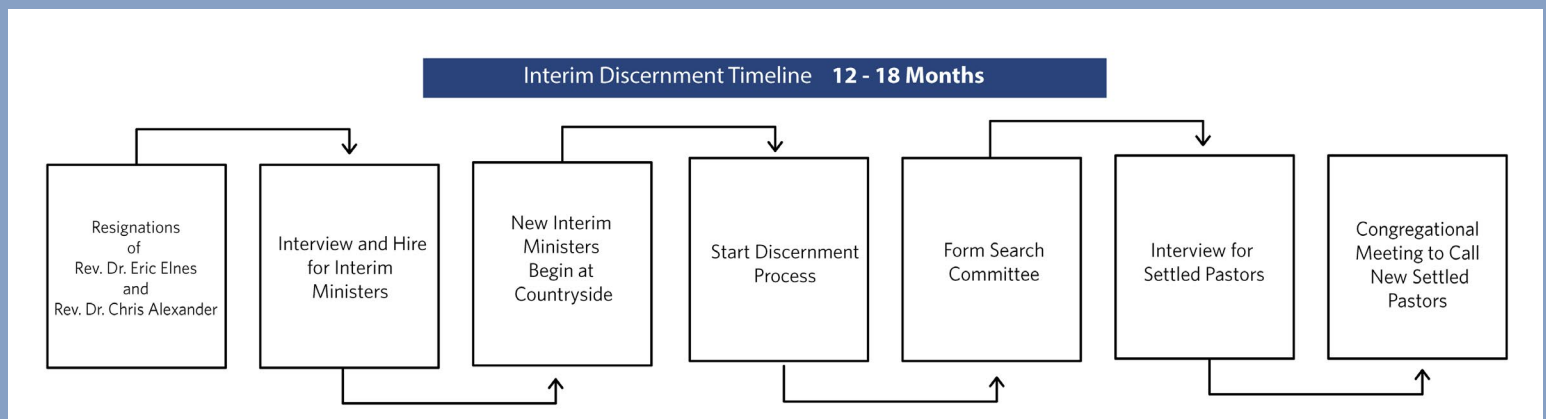

Answer: With the help of our consultant, Mary Scifres, we have created a draft of the core competencies required for each position. See core competencies on page six.

Question: What about diversity considerations, or age requirements for new ministers?

Answer: We are open to consider any minister with the characteristics that have been identified. We will fully consider ministers who are BIPOC and/or LGBTQIA+ for our open positions.

Question: TLC is a small group of people steering our interim future. Why is that?

Answer: TLC was intentionally formed to serve as a leadership steering committee during our interim period, as a sub-committee reporting to, and with authority granted through Church Council, following the recommendation of the Personnel Committee, at Eric's resignation. TLC seeks input regularly, communicates and works closely with Staff, Church leadership, boards, committees, and the congregation itself. We welcome input from all members of our congregation and do our best to respond to those questions. Please provide your comments, suggestions or questions to: TLC@countysideucc.org.

COME WALK THE LABYRINTH IN COUNTRYSIDE'S CHAPEL DURING JANUARY

A labyrinth is not a maze. In a labyrinth there is a clear path in and out. Prayer with a labyrinth has three movements.

As one moves toward the center of the labyrinth the person focuses on letting go of worldly attachments or coming to God with a question.

At the center, the person comes to the center of his or her relationship with God. One may linger in the center of the labyrinth, spending time reflecting on one's relationship with God and praying.

Eventually, however, the need returns to move out into the world again. As the pilgrim leaves, she or he walks with Jesus back into places of ministry as a renewed person.

The Chapel and Sanctuary at Countryside are open daily from 8 AM - 4 PM, Monday - Friday and we invite you to come walk the labyrinth we have set up. One person (or family on the labyrinth at a time). You may also use the Sanctuary for sitting in silence, reading the bible or other devotional readings. It is really up to you, how you would like to use your time. You will be buzzed in by the office then you will need to fill out a Covid 19 Health Screen form that is located on a table right inside the door. Masks and social distancing are required. The hours are Monday - Friday, 8 AM - 4 PM through the month of January. Please email the office if you have any questions office@countrysideucc.org.
