Who We Are:

We are an inclusive, open and affirming family of faith, welcoming all to God's table of love and acceptance.

We are diverse, yet united by Christ's example.

We care for one another, support one another and challenge one another to become all that God creates us to be.

We work together to nurture our community and to promote peace, equality and justice in our conflicted world.

Joys and Concerns

Join us as we pray for our congregation members and their loved ones who are on our Joys and Concerns list every week on Thursdays at 9:00 a.m. in the Sanctuary. If you have someone you would like us to pray for, or a joy you would like to share, or if you would like to be included on the list in the bulletin or be on Countryside's Prayer Chain, contact Debbie Vihstadt at debbiev@countrysideucc.org or 402-391-0350 or 402.578.2900 (you may text her at this number as well).

JOYS:

Thank you to all the volunteers who provide meals to our congregations during difficult times. These small acts of kindness mean so much during times of stress and illness.

CONCERNS:

Please pray for a dear friend of **Mike and Maureen Hornacek, Doug Krenzer**. He has just found out his cancer has relapsed. Please pray for Doug, his wife, Kari, their 4 children (young adults) and his Medical team as they navigate this new diagnosis.

Please pray for the family of **Don and Bev Sarton**. Don Sarton's sister, Anna, passed away on Monday, June 20. Please pray to ease their grief and that their memories of Anna comfort them and their lives are lifted by God's love.

Bill Besack has started hospice at his home. Please pray for him and for Nancy and their family, that they are comforted and feel God's love and support through this journey.

Martha Hoig requests prayers for her grandson, Braden, who is receiving treatment for lymphoma. Please give him the strength and resilience for the days ahead and that his treatments for lymphoma are beyond successful.

Please pray for **Leslie Summers-Day's** family as they progress through cancer diagnosis and treatments for her mom, Suzanne, and her brother, Dave. Please pray for their peace and comfort throughout this difficult time.

Sharon and Rick Royers's nephew, Michael Clouthier, continues to progress from his brain surgery on April 7. His first round of radiation did not go well. He had a seizure two hours after his first treatment. Prayers for guidance as his team of doctors regroup and plan a new course of action for him. Pray he tolerates his next treatments and that his tumor continues to shrink. Thank you for the continued prayers for Michael.

Larry (Mary Jo) Weiss: Please continue to pray for his acceptance of the double lung transplant.

Mike Brown: Mike has started the meetings with his transplant doctor and over the next week will be working with doctors to help make his stem cells easier to collect. Please continue praying to keep Mike healthy throughout this pre-transplant time and through his upcoming transplant.

Please, pray for our Countryside family. We still have quite a few individuals and entire families dealing with Covid. Please pray for good health to return to them all and for no serious consequences from the virus.
