Director of Life Ministries

Small group ministry at Countryside Church is part of our DNA. Through them we become closer as a community and developed a deeper and more welcoming spirit among us. Countryside Community Church is honey-combed with a variety of such groups, and we sincerely invite you to try one. Our Life Ministry adult education and social small group ministry focuses on the creation of multiple independent small groups who gather throughout the months at church, as well as people's homes, creating both large and small fellowship opportunities. Many of our small groups are specifically designed around particular interests and/or activities.

The Path of Jesus is found where Christ's followers are understood to be called into a ministry. God's intention for us can be found and followed, however haltingly and imperfectly, in obedience to the guidance and insights, which come in prayer. We hold this conviction to be true of the Church as well as of each of its members.
