

# AFFIRMATION 6

*Standing, as Jesus does, with the outcast and oppressed, the denigrated and afflicted, seeking peace and justice with or without the support of others.*

Why was there instruction in Deuteronomy to pay the poor? Do you think there is a law like that today?

Why was there instruction to leave things for the alien, orphan, and widow? What do you think of that concept? Should we still do it?

Describe the people that you find hardest to help

How can you overcome that attitude and help them anyway?

## Does a person deserve help?

What were your thoughts as you watched the two videos about people walking by?

Why would people ignore a girl who is dirty?

What can you apply from these videos?

*The Path of Jesus is found where Christ's followers honor the essential unity of spirit and matter by connecting worship and theology with concrete acts of justice and righteousness, kindness, and humility, with or without the support of others*
