

AFFIRMATION 9

Basing our lives on the faith that in Christ all things are made new and that we, and all people, are loved beyond our wildest imaginations - for eternity.

What color is most dominant for you?

What are the characteristics of your color that you really enjoy?

What do you like best about yourself?

How could you use that for God?

The Path of Jesus is found where Christ's followers are continually discovering and rediscovering that they and all people are loved beyond their wildest imagination, and they determine to live their lives according to this discovery.

Psalm 139 The Message (MSG) 13-16
A David Psalm

Oh yes, you shaped me first inside, then out; you formed me in my mother's womb. I thank you, high God - you're breathtaking!
Body and soul, I am marvelously made!
I worship in adoration - what a creation!

You know me inside and out, you know every bone in my body; you know exactly how I was made, bit by bit, how I was sculpted from nothing into something. Like an open book, you watched me grow from conception to birth.

True Colors is a model for understanding yourself and others based on your personality temperament. The colors of Orange, Green, Blue and Gold are used to differentiate the four central personality styles of True Colors. Each of us has a combination of these True Colors that make up our personality spectrum, usually with one of the styles being the most dominant. Identifying your personality and the personalities of others using True Colors provides you with insights into different motivations, actions, and communication approaches. True Colors works because it is based on true principles and easy to remember and use in all kinds of circumstances from personal relationships
