LATEST HAPPENINGS AT COUNTRYSIDE

SHARE THE LOVE STEWARDSHIP 2020

At Countryside Community Church, we believe that all are “loved beyond your wildest imagination.” Our theme for our 2020 stewardship campaign is **SHARE THE LOVE!** Your pledge supports Countryside’s mission and vision as a partner on the Tri-Faith Commons.

Our presence on the Tri-Faith Commons is a strong message about the importance of a faith community that is caring, spiritual, respectful, inclusive and diverse. As part of the Tri-Faith Initiative, we want to harness the power of our three congregations to practice respect and acceptance. We share much in common, and seek to learn about and from each other. We want to **SHARE THE LOVE!**

In the coming year, we can make our message even stronger. To do this we need your help.

At Countryside, we pride ourselves on gifts of time, talent and treasure. We are asking you to make a pledge in support of the 2020 budget, and consider increasing your pledge for the coming year. **SHARE THE LOVE!**

The most exciting news in our stewardship campaign is that we have a matching gift opportunity for every new dollar you commit. Any new pledge, or increase on your current pledge, will be matched dollar for dollar through November 2! So help us reach our goal. Prayerfully consider giving now.

Make your pledge online, or sign up for online payments. Remember, online payments help us with consistent income throughout the year. You can also fill out the attached giving card, and drop it in the basket found at the back of the church or leave it in the church office.

Blessings,

The Stewardship Committee:

*Diane Poots, Mark Draper, Joyce Davis,
Bob Davis, Patrick Rainbolt, Mike Brown,
Aubrey Fitzke*

WELCOME

We would like to take this opportunity to offer you a warm Countryside welcome. We are a community that places great value on welcoming ALL to an open and affirming community where we celebrate and rest in a God who loves us beyond our wildest imaginations. We invite you to journey with us as we work together with the guidance of the Spirit, seeking those places where we are called to participate with God toward the fullest expression of who we are created to be. As a congregation of the United Church of Christ we believe the greatest expression of the Body of Christ is found in the local congregation, and each person in our community has a unique conversation with God that serves the whole. Countryside is a place where God is still speaking to us and to our community. Each of us is called to discern that voice and act on that discovery. We welcome you and invite you to participate with us in this calling.

OUR MISSION

We are an inclusive, open and affirming family of faith, welcoming all to God's table of love and acceptance. We are diverse, yet united by Christ's example. We care for one another, support one another and challenge one another to become all that God creates us to be. We work together to nurture our community and to promote peace and justice in our conflicted world.

NEW MEMBER ORIENTATION/CLASSES BEGINNING SOON

The next new members class is October 20 and 27, after 11 AM church in Pricilla.

Since our move to the new building, many have said "This building is everything I hoped it would be - and then some." Now is our opportunity as a congregation to attract and nurture new members. Three great things about Countryside are: (1) our involvement with the Tri-Faith Initiative; (2) our warm and inclusive welcome of the whole human family, not just parts of it; and (3) the number of ways Countryside makes faith relevant in everyday life.

If the present is any predictor of the future, Our future will be everything we hope it will be - and then some. Why not invite your friends to be part of it? These classes are designed to educate newcomers and visitors about the church, the church staff, and the many church programs. Indicate your interest by signing up at the Connection Link on Sunday morning or contact Robyn Hubbard at 402-391-0350 ext. 224 or robynh@countrysideucc.org.

ODE TO JOY - DAN TROMBLA

Dan Trombla is a warm and cheerful presence at Countryside. He experiences joy by helping and staying active, which is great for ETC, the committee on which Dan and his wife, Donna, have served since joining Countryside two and a half years ago. If there's an ETC-organized event, like Soup-r-Sweet or the Hors d'Oeuvres Contest going on, you'll find them working behind the scenes to make it work – and out in front to make it fun.

"I love helping others," Dan says. "Regardless of the task or situation, I love to offer my help, support, and assistance." When not pitching in around Countryside, Dan enjoys many hobbies – alone, with Donna, and with friends. Dan says, "I am an avid fisherman and golfer and love being outdoors." On any given weekend, you might also find Dan and Donna going from their book club, to their convertible driving club, or to a Husker game. "Whether a project, outside activities, helping others or working, I want to stay busy. Therefore, I am quite often looking for something to do and usually find something to keep me active."

As much fun as Dan has between volunteering, projects, and hobbies, people are his source of deepest joy. "Family first, always," he says. "I have a wonderful wife and great kids, and we love to be together." Dan met the wonderful Donna in Lincoln in 1971. "She was the prettiest thing I ever saw," he says. They married during Dan's stint in the U.S. Navy and have two grown children: son Jesse recently moved to Omaha and daughter Ali and son-in-law, Drew, live in Phoenix. Dan says, "We always have such fun together." His friends are also a joy to Dan. "Our entire friendship circle is based upon our previous church membership. We worshiped together and became very close. All our friends are definitely an extension of our personal family."

Countryside is a caring congregation that offers support to its members in numerous ways. Along with our pastors, who are always willing to provide you with compassionate direction, care and advice when called upon to do so, we have a wonderful support system with our Care Team and Stephen Ministers.

Care Team

The Care Team consists of thoughtful, generous members of the congregation who provide various types of comfort or assistance to those in our church family experiencing times of hardship.

Stephen Ministry

Stephen Ministry is an active lay ministry program within our church that provides confidential Christian support and hope to those who are facing difficulties in their lives.

AGAPE

The AGAPE group has been a ministry of love and support for many decades, providing a warm and loving fellowship opportunity following memorial or funeral services.

ANNOUNCEMENTS

New Worship Series: "Drawn In" - Starts October 27

In the modern world, there is a crucial need for creativity. When you compare the world as it was in the 1950s and the world we live in now, for instance, it quickly becomes apparent that the average person of any age or occupation has been asked—no, required—to respond to shifts that our ancestors only a few generations ago could not have envisioned. The stresses and strains have been extensive. We've had to do some pretty quick thinking—and soul-searching—as a species to come out on top of these shifts or even just to keep up with them. Sometimes they seem on the verge of overwhelming us.

History has proven over and over that when the Holy Spirit is at work in people on a vast scale, you get into some pretty "deep shift"! If you think that God is sitting idly by on the sidelines watching all the challenges we face and not doing anything to help us out, think again. Yet whatever God does involves an in-breaking of new awareness. With every awareness we're called to break out of whatever box we've been in and follow the Spirit into new territory.

Over the next several weeks we'll explore the surprising parallels between creativity and the spiritual path. Helping us along the way will be tie-ins to the St. John's Bible exhibit at the Joselyn Art Museum, and the upcoming CFS lecture/retreat by Dr. Margaret Wheatley. In the process, we'll uncover some unexpected ways by which a narrow life may open out into more expansive territory, how a flattened life may be revived and once again become three-dimensional, and how we all may find and live into our "sweet spot"—or our sacred Calling—a bit more fully.

Have you been to DAY ONE worship?

Have you tried out our new Sunday evening (8 PM) worship experience called Day One? A service with a similar meditative feel in Seattle regularly draws 500 or more participants, and has for years. We think ours will one day, too. While the service is currently small, it is growing as a result of the word spreading in the Omaha community.

Day One is quite different from our morning services. The sanctuary is lit by 99 candles up front. You smell incense. You hear prayers, singing bowls, and monastic-style chanting from the back. You hear our gorgeous piano up front. It all moves you more deeply into prayer. After 45 minutes you can hardly believe the service is already ending!

Come early to grab a coffee, tea, or espresso beverage in Common Grounds before it all begins. And do invite your friends. We anticipate this service being a significant growth opportunity for our church as it meets a need that is presently being unmet in Omaha.

GOODBYE TO WILL HOWELL

Dear Countryside Community Church:

This has been an exciting season of change in my life, as I recently got engaged to Angela Glover and have been planning our wedding, as well as combining our lives in a new and wonderful way. About a month ago Angela received a job offer from a small college in Vermont and we have been thinking and praying about a move back east near my family. We have come to the decision that we are going leave Omaha. We both feel that God is leading us to make this change after so many years in Omaha and after so many years of youth ministry for me.

I am resigning my position of Minister of Youth and Families as of October 19, 2019. It has been an absolute pleasure to serve this church and it is a time that I will never forget. My life has been changed for the better because of the welcoming, progressive nature of Countryside. My theological framework has opened exponentially since coming to Countryside and finishing Seminary at Chicago Theological Seminary. I have loved being a part of the Tri-Faith Initiative and the Tri-Faith Clergy group and I have learned so much about Judaism and Islam through those friendships. I have loved leading the youth program and having the honor of serving your students and developing a program that helps students understand their faith and feel the love of God.

Change is difficult, but I am certain that God is leading us all to what we have been created for, and into deeper places. Thank you for all the support as a person and as a Minister in the United Church of Christ. May God bless all of the endeavors of Countryside for the next generations.

Sincerely,

Will Howell

* The Personnel Committee will be in discussion with the Board of Youth, Board of Christian Education and the Youth leaders to set forth a plan for the Interim and a search for a new youth leader. More details will be shared as they develop.

UPCOMING MUSIC

Resonance presents: Wolfgang Amadeus Mozart's Great Mass in C Minor October 10, 7:30 PM

The Great Mass in C minor is considered one of the greatest works by Wolfgang Amadeus Mozart. He composed it 1782 and 1783 after his marriage when he moved to Vienna from Salzburg.

The work embodies pomp and solemnity and also anticipates the symphonic masses of Joseph Haydn in its solo-choral sharing. The mass shows the influence of Bach and Handel, whose music Mozart was studying at this time. In 2015, Pope Francis told reporters the "Et incarnatus est" from the large-scale work "is matchless; it lifts you to God!"

This concert will feature Karina Brazas (Day One singer who has sung in worship) as soprano soloist and Jesse Wohlman (Day One singer) as baritone soloist. Creighton University's Chamber Choir will join Resonance, a semi-professional chorale, and will perform under the direction

All Kids Choir Sunday - Edem Soul Music October 13, both services

Edem K. Garro, also known as Edem Soul Music, is a composer, vocalist, and multi-instrumentalist whose work primarily focuses on cultural preservation. Please join us in worship on October 13, where our children's and youth choirs will lead us in worship and draw the sermon series to a conclusion. If you have kids who would like to sing, it is not too late to get involved!

Combined youth choirs from our first service.

Edem K. Garro, also known as Edem Soul Music

Vesper Concerts presents: A Gospel Experience October 13, 3 PM

We will be hosting the Vesper Concert Series' Choral Collaborative Concert. A mass choir featuring UNO and local high schools will perform gospel works under the direction of highly-acclaimed gospel musician and educator Raymond Wise, a Professor of African American Diaspora Studies at Indiana University.

Misa Criolla October 20, both services

Please join us in worship on October 20 to hear C4 perform Ariel Ramirez's Misa Criolla. Ramirez was an Argentine composer who composed the work shortly after Vatican II, writing in the vernacular both verbally (Spanish) and musically (using indigenous folk idioms). The service will feature an ensemble playing on Latin-American instruments and we will have a brief talk-back after both services to explain more about the music and take questions from the congregation.

C4 Choir performing September 8

THE BOX FOR OCTOBER

The Box for OCTOBER is asking for your help in providing the following items for the food pantry at Lutheran Family Service: Basmati or Jasmine rice, dried beans (black, red, pinto, garbanzo), lentils, hot sauce and dried spices, sugar, cooking oil, diapers (any size) shampoo/conditioner, bars of soap and deodorant

We thank you in advance for your help with this project! Please drop off any of these items at the BOX located in the Foyer.

COMMUNITY CUPBOARD

The Community Cupboard Food Pantry served 127 families which equates to 434 individuals at our September pantry. With cooler weather quickly approaching, the need will become greater. If you would like to help either through donating your time, finances or food items, please contact Mary Beth Link at marybethl@countrysideucc.org. Thank you in advance for your help!

SHOW US YOUR SMALL SERVICE GRANT (SSG)

Are you using your head, heart and hands in service outside the church? Is at least one other person involved? If so, you are a Small Service Group (SSG). The Board of Christian Outreach (BOCO) wants to know about your good work so others know where to go for assistance, or how to get involved as well.

Jesus once figured out how to make a loaf of bread and fish stretch to feed hundreds. By supporting groups of two or more people who want to serve an unmet need or overlooked population, Countryside hopes to multiply blessings, too.

Please print the SSG form from the website countrysideucc.org/serving-together/ssgs/ and return it to Mary Beth Link at the Connection Link.

Christian Outreach embraces opportunities that reflect appreciation, respect, and love where there was otherwise much neglect - providing funding and service opportunities that nurture lasting change in our congregation, our community, and our world.

The Box

...is where specific items are collected each month to address various needs. "The Suitcase" is where we continuously collect hotel-size toiletries. Both are in the Foyer near the Connection Link.

Community Cupboard

A large mobile food pantry takes place right here at Countryside on the first Saturday of each month from 9:00-11:30AM. You are invited to come witness this miracle happening!

Holiday Offerings (Christmas and Easter)

Each year the Board of Christian Outreach directs two special mission offerings—the Christmas and Easter offerings. These offerings are given to organizations both locally and internationally.

Small Service Grant (SSG)

Countryside members who volunteer with local groups/ events may apply for a small service grant (SSG) of less than \$500 to cover materials and supplies. Contact us or find the SSG request forms on the church website.

COUNTRYSIDE CORNER

In May, over 40 volunteers went through docent training to educate the visiting public about Countryside Community Church. Karen Follon and her committee put together a treasure trove of information about the church and the significance behind its design and the materials used within. Each month we will share a portion of the docent training in this new section - Countryside Corner.

FOYER

Purpose - Traditionally, church foyers are places where one is invited to acknowledge the distance we place between ourselves and God, recognizing that God invites us into greater relationship. This invitation is symbolized by the unlocked doors of the sanctuary which are tall and plainly visible from the narthex with a view eastward to the Tri-Faith Commons site as a reminder of our connection to people of other faiths.

Tree of Life - The use of wood throughout the entire church facility reminds us of the fact that our Bible begins and ends with a tree - the same tree, in fact: the Tree of Life.

In Genesis, the Tree of Life is the one that the metaphorical couple were prevented from eating after consuming the fruit from the Tree of Knowledge of Good and Evil.

In Revelation, the Tree of Life stands at the center of the New Jerusalem. Its fruits are now freely accessible to all people, and its leaves are "for the healing of nations." (Rev. 22:1-2)

As people who live somewhere between the beginning and the ending, the wood reminds us that we are on a journey together - a journey that does not end in a rejection of the world, but its fulfillment.

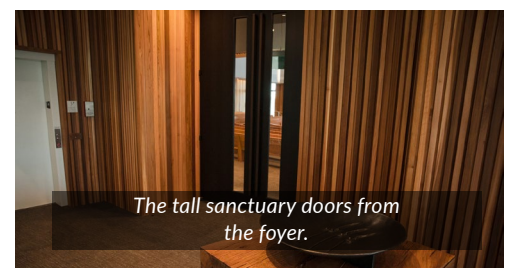

History - Countryside was founded in 1949 as young families began to settle in to the once rural farmland in the Loveland area of Omaha after World War II.

From the beginning, Countryside members have come from a variety of Christian backgrounds, unified in their belief that all people are children of God and deserve to be free from fear and oppression. Members have also been drawn to the Congregational emphasis on the right of individual congregations to order their own affairs, call their own ministers, and establish their own covenants.

Today, members from more than 40 different faith backgrounds have been called to join our community, allowing us to fully embody the meaning of the Greek word, ecumenical, meaning "the whole household of God."

LIFE MINISTRIES

Life Ministry supports and improves the quality and "wellness" of family life. Life Ministry strives to engage people in a wide variety of social and educational activities for individuals and families. It is designed to strengthen family bonds and provide outreach in support of family members. Life Ministry also brings strength and continuity to Countryside's volunteer base by advising staff and by serving as a conduit between congregation and Countryside's Life Ministry and Volunteer programs.
