COUNTRYSIDE  
RELOCATION CAMPAIGN

## CAMPAIGN KICK-OFF

Over the past decades, Countryside Community Church has had much work to do and many celebrations to enjoy. Babies are born in our church family, with baptisms to follow, our youth are confirmed and families rejoice, weddings take place and festivities abound. At the end of life, families and friends gather to give honor to their loved ones. It is traditional for these milestones to be celebrated in the embrace of Countryside's membership.

Now we are marking another milestone in the shared life of Countryside Community Church. On Sunday, April 10, we will gather to kick off the Relocation Campaign, Breaking New Ground: Spiritually and Physically, and get our first glimpse of the design and plans for our new church home at 13130 Faith

Plaza! Short presentations will help everyone understand The Story, The Plans and The Dollars! Immediately following, we will gather for...yes!...another celebration in the life of the church family...a lovely brunch in Memorial Hall, prepared and served by over 40 volunteers who have worked tirelessly to make this memorable. A "video reveal" of architectural renderings will be offered and information packets handed out. Please see the invitation above for details on how to RSVP and make your meal selection. We look forward to seeing you on April 10!

## **WELCOME**

We would like to take this opportunity to offer you a warm Countryside welcome. We are a community that places great value on welcoming ALL to an open and affirming community where we celebrate and rest in a God who loves us beyond our wildest imaginations. We invite you to journey with us as we work together with the guidance of the Spirit, seeking those places where we are called to participate with God toward the fullest expression of who we are created to be. As a congregation of the United Church of Christ we believe the greatest expression of the Body of Christ is found in the local congregation, and each person in our community has a unique conversation with God that serves the whole. Countryside is a place where God is still speaking to us and to our community. Each of us is called to discern that voice and act on that discovery. We welcome you and invite you to participate with us in this calling.

## **OUR MISSION**

We are an inclusive, open and affirming family of faith, welcoming all to God's table of love and acceptance. We are diverse, yet united by Christ's example. We care for one another, support one another and challenge one another to become all that God creates us to be. We work together to nurture our community and to promote peace and justice in our conflicted world.

The baskets are located at the back of the Sanctuary. And the List is the way we share of our time and talent with one another and is printed in the Order of Worship.

## ANNOUNCEMENTS

### **Countryside would like to welcome Jan Brown as the Pastoral Care Coordinator**

I grew up near Thedford, Nebraska, on a cattle ranch along the Middle Loup River. In a tiny UCC church where many generations worshiped, I learned from quiet, faithful family and friends. I met my husband Mike, a Ralston boy, at the University of Nebraska, and this year we celebrate our 35th anniversary. Mike is an administrator at Children's Hospital. Our adult children include our son Tyler, who works at Hiro 88 in Omaha, as well as our daughter Kara and her husband Alex, who are urban educators in Dallas, Texas.

As for me, I'm a retired teacher, counselor and nonprofit worker. In each stage of the journey, our family has been active in faith communities; we joined Countryside in 2010 where I'm in a small group on Tuesday mornings. In addition, I've led a Phoenix Affirmations group and have served on BOCE and CFS. At our former church in Gretna, I co-led the Stephen Ministry Team. My passion includes building trusting relationship through listening, partnering, praying and co-developing plans of growth.

What to do with this one glorious life? It's the question we all ask ourselves. As your new Pastoral Care Coordinator, I'm both humbled and excited to explore that with you through Countryside's caring ministries. I look forward to deepening our friendship and supporting one another through God's magnificent love.

So thank you, Margie Bolte, the Stephen Ministry Team, the Pastoral Care Board, those who serve through Agape, the professional staff and the members of Countryside. Your love is generous and your mercy is reflective of the Spirit. - Jan Brown

## IN THE COMMONS - WEDNESDAY NIGHTS

### 6:30-7:15 PM: Program

### 7:15-8:00 PM: *Optional Fellowship, Dialogue and Refreshments*

"In the Commons" has a double meaning – describing the place and the programming itself. A "commons-based" worldview emphasizes the concept that there IS such a thing as the common good, and that bringing people together in dialogue is essential to the sustainability of the human community. We begin at 6:30 PM, with baristas/snacks and an invited guest presenting for about 15 minutes, and then continue with casual but surely engaging dialogue with the speaker and each other. You can come for the speaker only – but most like to stay for the dialogue!

Why does the Taliban's brutal suppression of vaccinations matter to America?

### April 13 - *Dr. Wendy Wright Sacred Dwelling: Every Day Family Spirituality*

Explore the dynamics of your own family spirituality through an interactive presentation by a beloved Creighton professor and author of *Seasons of a Family's Life: Cultivating the Contemplative Spirit at Home*.

### April 20 - *Larry Krell— Communio: Walk the Talk*

### April 27 - *Cameron Logsdon: Poetic Identity*

Cameron is a forensics coach and professor of Communications and Forensics at UNO. He has been a TED speaker and gives powerful voice to the experiences of the marginalized in American society.

The Center for Faith Studies provides learning opportunities for the faithfully inquisitive Countryside Community. We encourage lifelong learning, growth and deepening understanding utilizing current scholarship through the CFS community lecture series, Wednesday Night Alive events, adult education classes and community partnerships.

The committee is interviewing candidates for our Director of Music Ministries. We have received resumes from across the country (even overseas) and have some very qualified candidates. We will soon begin second round interviews with a few of them. Our mission continues to be to find the most qualified person to meet not only our immediate needs but to chart the course for the future growth of music and arts at Countryside Community Church. Our church has a proud history of talented directors and we are confident our next director will continue the tradition of quality, meaningful, spirit-driven music.

San Francisco based singer-songwriter Bobby Jo Valentine has received numerous recognitions for his work, including Songwriter of the Year by the West Coast Songwriter's Association. Although his albums have garnered overwhelmingly positive reviews, more noteworthy are the responses to his honest, raw, resonating live performances. Dubbed "the nicest guy ever to pick up an acoustic guitar" by LA Weekly, he writes hopeful, soulful, honest songs about love and life and all things in between. Bobby Jo seeks to share his music with communities, like Countryside's, that are open and affirming of LGBTQ+ people. Please come enjoy Bobby Jo's tremendous musical talent and his love for God that shines through his music. There is no cost, but a free will offering will be taken.

### **Children's Musical**

Please join us on Sunday, April 24 for a look back at one of the "scariest" books of the Bible! On this day, the Pilgrim and Cherub Choirs will present *Rescue in the Night* by Alan Pote and Tom S. Long. It is the memorable story of Daniel in the Lions' Den. Please bring your friends and neighbors of all ages to enjoy this light-hearted rendition of a story of courage and obedience. This scary tale will be presented at both the 9 and 11 am services. See you there!

## THE BOX FOR APRIL

In April, we are collecting items for babies; sized newborn to 9 or 12 months, for both genders. Socks, pacifiers, Onseys, diapers and outfits sized newborn to as big as 9-12 months. There is also a need for car seat covers and car seat head supports. They will be distributed to mothers through One World Baby Boutique, an organization that helps promote good prenatal care for good baby outcomes.

## SHOW US YOUR SSG!

You can read more in the right margin, but it's short for SMALL SERVICE GRANT. These were created to help fund small service projects where the people and ideas are present, but the project or event needs a donation of a few hundred dollars to help get the materials and supplies together to actually make it happen. Each application is voted on by the board (and not all requests are granted), but SSGs are one way our church makes small donations towards big differences.

## SPECIAL EASTER OFFERING

The recipient of the 2016 Special Easter Offering was Inclusive Communities. The funds raised go towards IncluCity, a four-day leadership and skill building camp bringing together a diverse group of 75 high school student delegates from around the region where they learn new skills for dealing with things like prejudice, bigotry, and discrimination; then take those skills and perspectives back to their daily interactions with others.

# RELOCATION UPDATE

## APRIL UPDATE

The architects (APM/ HGA) are halfway through the Schematic Design (SD) phase of our new church home! Preliminary views of various areas will be unveiled at the Relocation Launch on April 10. You don't want to miss that event! Mark your calendars now and be sure to RSVP to the church office or at the kiosk in the narthex.

An AV/IT committee has been formed to begin formulating our needs in those areas for our new church. You may have noticed an acoustician in church on March 20. He was performing a study of our current church acoustics and will be making recommendations to our architects and CRC. The APM/HGA team, with input from our CRC committees, is dedicated to designing a church that will meet our needs now and into the future. We are not just building a new church, we are planning a new home.

*To stay informed of what is happening with the relocation efforts, look for the Relocation icon in Countryside's communications: the display area outside the church office, weekly C10 emails, monthly newsletter, and the Countryside website [www.countrysideucc.org](http://www.countrysideucc.org).*

## QUESTIONS?

*If you have questions or comments, see one of the following committee members: Rick MacInnes, Tim Kerrigan, Cyndi Kugler, Paul Nelson, Pam Kregg and Nancy Behringer or email [crc@countrysideucc.org](mailto:crc@countrysideucc.org).*

# LIFE MINISTRIES

*Life Ministry supports and improves the quality and "wellness" of family life. Life Ministry strives to engage people in a wide variety of social and educational activities for individuals and families. It is designed to strengthen family bonds and provide outreach in support of family members. Life Ministry also brings strength and continuity to Countryside's volunteer base by advising staff and by serving as a conduit between congregation and Countryside's Life Ministry and Volunteer programs.*

## UPCOMING IN APRIL

### All Church Clean Up - April 9

ALL CHURCH CLEAN UP will be held on Saturday, April 9, 9:00-Noon. Please join us for as much time as you can as we spruce up both the inside and outside of our church home. Jobs range from cleaning to repair work. You are asked to bring your own LABELED step ladders, buckets, rakes, dust cloths, etc. Cleaning supplies will be provided by the church. Many hands will make lite work! Snacks will be served throughout the morning with a picnic style lunch being served at Noon. Sign up today at the Information Station if you'd like to help or contact Mary Beth at [marybethl@countysideucc.org](mailto:marybethl@countysideucc.org) for further information.

### Reel Faith- April 8

Reel Faith will present "Out of Frame," a 1 hour and 15 minute documentary film which touches on the perception of poverty that is in America today. Most people often still believe that poverty means being only homeless in large inner cities or small poverty stricken areas. This film is based in the Midwest in Omaha, NE and shows that the stereotypes of poverty from years ago are no longer valid. Now the look of poverty is often hard to spot or intentionally unseen...the non-existent or low-wage work erodes the middle class, exploding the number of people living in or near poverty. We look to show how to recognize a range of common issues that many families are currently facing and how to recognize the issues we look past; ways for us to make an impact or make real and permanent change.

### Wednesday Night Suppers

Wednesday Night Suppers will conclude on April 27. Be watching the C10 and bulletin for your weekly menus! Thanks to all who helped provide meals this year, organized, shopped, cooked and served! You all did an outstanding job of providing us with not only great meals but warm fellowship and a chance to come together as family. Thanks again for all you've done!

### Poetry/Writing Group

"Poetry is language at its most distilled and most powerful." - Rita Dove. A new small group is forming at Countryside - one of poets; those who write. Those who read and those who speak poetry are invited to sign up at the Information Station showing your interest in such a small group. Should you have questions, contact Mary Beth at [marybethl@countysideucc.org](mailto:marybethl@countysideucc.org).

This would involve putting dishes away, wiping counters, emptying dishwasher and keeping an inventory of necessary supplies. If interested then stop by the Information Station on Sunday morning.
