## Who We Are:

We are an inclusive, open and affirming family of faith, welcoming all to God's table of love and acceptance.

We are diverse, yet united by Christ's example.

We care for one another, support one another and challenge one another to become all that God creates us to be.

We work together to nurture our community and to promote peace, equality and justice in our conflicted world.

### Ten Commandments Remix

1. practice loyalty to the Sacred.
2. remember every image of God is only a glimpse.
3. do not use God's name to do harm.
4. do not allow productivity to dominate life.
5. care for those who have cared for you and honor those who have paved your way.
6. do not be unnecessarily destructive.
7. be faithful to the commitments you make.
8. do not take what does not belong to you.
9. do not hinder justice from coming to fruition.
10. do not use power over others to get what you want.

## Joys and Concerns

*Join us as we pray for our congregation members and their loved ones who are on our Joys and Concerns list every week on Thursdays at 9:00 a.m. in the Sanctuary. If you have someone you would like us to pray for, or a joy you would like to share, or if you would like to be included on the list in the bulletin or be on Countryside's Prayer Chain, contact Debbie Vihstadt at [debbiev@countrysideucc.org](mailto:debbiev@countrysideucc.org) or 402-391-0350 or 402.578.2900 (you may text her at this number as well).*

### JOYS:

The Ice Cream Festival and Small Group Fair on August 28 is bringing every corner of the church together in one morning! So many people throughout the church are involved and it's our biggest undertaking at church since COVID. Thank you to everyone working on it! Plan on being there after service on August 28!

### CONCERNS:

**Dee Schlautman** had back surgery Thursday morning. Please pray the surgery gives her the relief from the pain she needs and for a successful recovery.

Please pray for **Mark Draper** as he rests and recovers. His family appreciates our prayers and would like us to continue to pray for his recovery to good health.

Please pray for **Shannon (Rick) Avard's** father. He is currently being sedated at UNMC where he is experiencing what they think are seizures. Please pray for guidance for his medical team, strength for his family and comfort and healing for him.

**Mike (Jan) Brown** continues to progress in the right direction! He had his central line removed and is getting stronger by the day. Please continue to pray for his continued recovery and success.

Thank you for continued prayers for **Leslie Summers-Day's** mother, Suzanne, and brother, Dave, as they continue to battle cancer.

**Johnna Roberts** asks for prayers for her husband, Greg, and for his health. He's very weak, falls often and has been diagnosed with early dementia. They're working on getting him into a VA-affiliated facility in Omaha, but may end up in Council Bluffs or Lincoln. The process of contacting facilities and filling out VA forms has prompted them to get their affairs in order and is exhausting. Johnna also asks for prayers for the strength and energy to be his advocate.

**Sharon and Rick Royers's** nephew, Michael Clouthier, is tolerating his radiation treatments well. He appreciates the continued prayers and support.

**Mary Sutton's** niece, Liz, has been doing very well, but feeling the effects of the chemo the last few days. She has the new stem cells and now we have to pray they do their job. Pray for this strong woman and for the many who love and support her.

**Kathy DeBoer** has asked for prayers as she has tested positive for Covid. She reports that she has a fever, splitting headache, body aches, nausea, coughing and is just miserable. Please pray for Kathy and a quick return to health.

Prayers for everyone dealing with Covid. We pray for everyone's comfort and for all those who have Covid to recover completely.

God of many names,

*Guide our steps and strengthen our hearts during these last weeks of summer and vacation days. Grant us refreshment of mind and body.*

Amen
