We are committed, in recognition that religious voices have often amplified homophobia and heteronormativity and caused grave harm to LGBTQI individuals, to develop leadership for a more open and affirming church and society.

Have you noticed discrimination against LGBTQI people in your school? Name a time.

What can you do to change that?

The Path of Jesus is found where Christ's followers uplift and celebrate the worth and integrity of all people as created in God's very image and likeness.
