## TASK FORCE ADDS PINK LEVEL TO REOPENING GUIDELINES

As 2021 approaches and we are dealing with record cases of coronavirus, we wanted to focus on some positive news. New, more rapid tests are being developed that will help identify people with the virus faster. A vaccine is now in front of the FDA seeking emergency use authorization with another one close at hand and still others in the last phase of clinical trials. Most health experts agree the vaccine(s), if approved, will not be ready for widespread use until spring of 2021 but the speed at which these vaccines have been developed is remarkable and truly something to celebrate.

When infection levels were at lower levels in the Omaha metro back in September (around 600 infections per week) the task force started to discuss the possibility of reopening Countryside at levels higher than those that we had established back in June. The reasons we looked at this were many, but primarily we looked at how other organizations had begun limited reopening and what the health experts were saying about prevention protocols, including mask wearing, social distancing, and sanitizing processes that were preventing the spread of infections in public areas.

As a result of these observations, the task force has decided to add another level to our reopening guidelines. We will raise the level of NO In-person services to an infection level of 500+ per week in the counties of Douglas and Sarpy combined. A new level, Pink, will be added to the chart. The Pink level will be in place when infections are between 499-200 for the two consecutive weeks. The other levels and procedures will remain as they currently stand. At the Pink level, the capacity of the sanctuary will be capped at 25%, there will only be one service to start, (we will revisit if demand indicates). Reservations must be made in advance via a web sign-up to allow tracking if someone does become infected. Masks will be absolutely required, prescreening will occur when entering, and seating is only allowed in designated areas. To find out more about the Pink level go to [countrysideucc.org/covid19](https://countrysideucc.org/covid19).

It might be some time before our city gets back down to these levels, but we will get there. Until then, please stay safe, wear your mask, wash your hands, and social distance.

### FOLLOW THE STAR CHRISTMAS EVE, 6:00 - 9:00 PM

On Christmas Eve, Countryside Community Church will be open for people to safely walk through and participate in a Follow the Star Christmas event. Stars will line the floor and guide you through stations set up around the church. The walk will include a visit through the columbarium to light a candle, a luminary walk and Christmas carols playing at different points throughout.

This will be a socially distanced event and will require registration. Planning is currently ongoing so be watching for information in the C-10 this month, as well as links for registration. We will also be keeping you updated on social media. There is a plan to video the walk and place it on our YouTube channel for those who cannot join us. We look forward to making this possible for our members. As always, plans may change because of the ever changing coronavirus numbers in our community.

# SUNDAY WORSHIP

## COVID-19 CASES IN OMAHA ON THE RISE, WORSHIP REMAINS ONLINE

COVID-19 cases have been rapidly increasing throughout the month of November keeping Countryside squarely in the RED phase of the Countryside Worship Guidelines reopening set forth by the Countryside Re-Start Task Force and the Church Council. The church does not move to the next phase (PINK) until new cases are below 200 for two consecutive weeks. For a detailed explanation of our five-phase approach you can check the website at [countrysideucc.org/covid19](https://countrysideucc.org/covid19).

## WORSHIP ONLINE AT KMTV CHANNEL 3 AT 10:30 AM

Through December there are two ways to catch Countryside Community Church on Sunday mornings. The first is online through Youtube live which you can connect with at [countrysideucc.org/live](https://countrysideucc.org/live) or on KMTV Channel 3. Both will begin at 10:30 AM.

## ADVENT WORSHIP SERIES, NOVEMBER 29 - DECEMBER 24

Advent carries the feeling of excitement and/or nervousness that comes from being in that in-between place of "waiting/preparing"; "the already/not yet"; "the seen/unseen"; "the steadfastness/uncertainty". Can you feel it? It seems as if everything is on hold right now: With COVID-19 directing our activities and Countryside itself in a discernment period regarding new leadership models and pastors, and our world standing by post-election, the possibilities are bursting at the seams, and we are collectively holding our breath.

Psalm 80 cries to the Lord Stir Up your Strength and Come... Help us. Like the Psalmist, we too are crying out for God's strength and compassion to help us reorder our practices and priorities that we might be "reopened" to a new way of being in the world. We need to be actively clearing out things that are standing in the way of God's presence with us, so that we might better experience God's voice guiding and leading us to fullness and grace. Let us journey together through this in-between time, embracing our community and the Love of God that connects us all.

The Racial Justice Book group meets on Sunday mornings from 9 -10 AM. They are starting *Caste: The Origin of our Discontents*, by Isabel Wilkerson. From Amazon review: "This book explores basic preference from its start in America as a Caste system enabling advantage and fanaticism. The order of position isn't about sentiments or ethical quality. It is about Power—which tribes have it and which don't. A direct look at three of the most remarkable standing systems to ever exist; India, Nazi Germany, and America."

The Zoom link for this group can be found at [countrysideucc.org/calendar](https://countrysideucc.org/calendar) and the password is 13130. All are welcome to join at any time.

## COUNTRYSIDE COMMUNITY COLLECTS OVER 800 CANS OF FOOD

Countryside Community answered the call to participate in the Thrivent Financial Give Thanks and Give Back contest. The majority of cans collected were chicken and tuna which is an urgent need for our Community Cupboard. Now volunteers, led by Jim Gilbert, will stack the cans into a design and send a picture into Thrivent for a chance to win \$500 for the Community Cupboard. Either way, we have already won with all of the essential cans of food we have collected! Thank you to our wonderful church community and we will keep you updated on the contest. A picture of the canned creation will also be published when it is done!

### **Abraham's Whiteboard: Us and Them - Fundamentalism and What We Can Do About It** **Thursday, December 3, 6:30 PM- 8:00 PM, via Zoom**

Fundamentalist ideas and movements affect us all in a variety of ways. How does fundamentalism work? How does the rise of fundamentalism impact our work for social justice? Join Educator Director Jeremy Fricke for this exploration of this rising phenomenon through the lens of religion and psychology.

Abraham's Whiteboard is a monthly educational class led by Education Director, Jeremy Fricke, on a wide variety of religious topics, from world religions like Hinduism and Buddhism to special topics like how definitions of religion impact our own religious identities. All Abraham's Whiteboard sessions are open to all people regardless of background, but will connect the content to Judaism, Christianity, and/or Islam.

(Registration required - go to Tri-Faith web page at [trifaith.org/events](http://trifaith.org/events) or find the link on Tri-Faith Facebook page, [facebook.com/TriFaithInitiative](https://facebook.com/TriFaithInitiative).)

### **Making the Familiar Strange: Hagar** **Tuesday, December 8 at 12 PM - 1 PM**

As we continue through Abrahamic stories, we will be discussing Hagar from multiple perspectives. Amal will provide some background on Muslim perspectives on Hagar and we will have discussion on Jewish and Christian perspectives as well.

Making the Familiar Strange is an opportunity for interfaith dialogue that inspires people of different religious and nonreligious backgrounds to read the same text together. Rather than providing answers, creating arguments, or shutting down conversation, Making the Familiar Strange gives attendees an opportunity to investigate and share different perspectives on the same texts.

While not required, the program is best if you have access to the texts in question, which can be a physical copy or online copy of a Bible, Tanakh, Quran, or other text that addresses the stories in the biblical book of Genesis.

(Registration required - go to Tri-Faith web page at [trifaith.org/events](http://trifaith.org/events) or find the link on Tri-Faith Facebook page, [facebook.com/TriFaithInitiative](https://facebook.com/TriFaithInitiative).)

## BOARD OF PASTORAL CARE'S WINTER WISDOM OF THE AGES

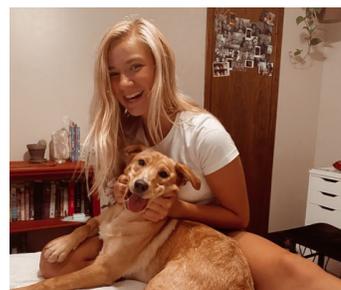

### CHRISTMAS: WHEN LOVE FINDS US

A second love bloomed for long-time Countryside member **Jean Stewart** at Christmastime. She'd been a widow for five years and hadn't been on a date with anyone but her husband for 50! But her friend Brownie finally persuaded Jean to meet Gaylen. Gaylen was a widower, a retired Naval officer who lived in Bellevue. They met at lunch, chaperoned by their friends. "He was just the nicest man!" Jean said. They had such a good time, they met again - unchaperoned - at the Joslyn, then at the zoo. With each meeting they discovered more that they had in common. Then Gaylen invited Jean to the Nutcracker. "I'd always wanted to see the Nutcracker!" He followed that up with a delivery of Christmas-themed flowers, and that was that. They dated for fifteen years, until Gaylen's death last year. "I miss him every day," says Jean. "We were very much in love."

Jean Stewart

For **Jessie Vihstadt**, Christmas love means family. The Millard North sophomore is looking forward to huddling up with her mom, dad, and brother this Christmas and "forgetting all the craziness that's happening right now." But one of her favorite holiday memories is when she got to share the holiday with extended family. Many years ago, her great grandma and great uncle, who live in Colorado, came to celebrate with them. To commemorate the occasion, her uncle was trying to take a family photo using the timer on his camera. But the camera kept snapping the photo before he was able to get in the picture, so her uncle was running back and forth, and everyone was in stitches! Being able to be totally yourself and be accepted - even when you look silly or foolish - is what family is to Jessie, and it's why Christmas is so special to her.

## THE BOX FOR DECEMBER, TOGETHER

The December Box is to aid Together at this time of the year that is seeing many families in need of assistance. Together is also our BOCO Christmas offering. We share their concern for those in need. Unemployment is up and even those employed have had hours reduced drastically. Families are experiencing food insecurity and we can help. Together needs shelf stable foods and has requested cereals and soups. These are items that families always need and request. It would be helpful if the soups included some protein. Cereal bars are also family favorites as they are ready to go. All cereals will be utilized though. Thank you for your continuing generosity to the Box as we try to help meet some of the needs of those who struggle to meet basic food needs for their families. Thank you for sharing your Christmas spirit with those who are hungry. It is greatly appreciated.

## YOUTH CORNER

### CHILDREN'S MINISTRY

A big thanks to everyone who participated in our box collections for Pine Ridge! We are steady on Zoom for the winter. **Faith Singers** meets at 5:15 PM and **COYO** meets at 6:30 PM on Sundays. Zoom links are sent weekly over email and through Remind. If you would like to be added to either of these lists, let us know!

### YOUTH

Our Sunday School lessons this month focus on two different stories associated with Advent: the story of Elizabeth and Zechariah and the story of the Magnificent.

In our first story, we follow Zechariah and Elizabeth as an angel delivers exciting news—they'll soon welcome a baby! Now, this was totally unexpected as Zechariah and Elizabeth were quite elderly but we follow them as they respond to the message from angel Gabriel. Our second story pulls us into the joy that Elizabeth and Mary share as they greet one another and celebrate their happiness in following God's guidance.

**Sunday School** for the Spring 2021 semester will start in February. During January, we'll be preparing and delivering a new kit for the spring lessons.

**Core 56** will meet on Wednesday through December 16. We'll take a break for a couple of weeks and return January 6.

Our last small group **Confirmation** classes of the semester are Tuesday Dec. 9, Wednesday December 10, and Monday December 14. We will have a meeting for all 8th grade Confirmation students on Wednesday, December 16 at 7:45 PM to discuss Faith Stories.
