## TRANSITION LEADERSHIP COMMITTEE UPDATE

Here's the latest news from the Transition Leadership Committee. We've been updating our progress with you almost weekly, either through Zoom, the C-10, or newsletter. In the last few weeks, we've brought in our newest member, Emily Wadhams, as we enter the interview stage of the process to hire two interim leaders, who will join Dan Loven-Crum on the Interim Collaborative Leadership Team. Emily joins Aubrey, Diane, and Stacey, as Tracey moves on to the duties of the Moderator, in deliberations as we read and discuss applicant's profiles. As interviews are set with select applicants, Tracey joins will continue to join the interviews as the Moderator/Consultant.

We are making progress and are narrowing the field every week for both positions. We have received feedback, encouragement, consultation, and candidates from folks around the country. The candidates themselves we've interviewed thus far are excited about being a part of our Collaborative Leadership Model.

TLC is excited about where we finally are in this process. Our commitment to remain transparent with you, and to find the best candidates for our interim leadership, remains our focus. As we keep the facts in front of you, we also want to thank you for your

prayers for the success of this process. If you have questions or comments, or words of encouragement, contact us directly at [tlc@countrysideucc.org](mailto:tlc@countrysideucc.org).

# SUNDAY WORSHIP

## WORSHIP REMAINS ONLINE BUT WE ARE GETTING CLOSER!

Omaha has seen big decreases in COVID-19 cases over the past month. We are still in the RED phase of our opening guidelines but we are rapidly approaching the PINK phase. When the new cases are under 500 for two consecutive weeks we will start in-person services at 25% occupancy. There will be one service and it will be by reservation only, masks will be required, seating will be in designated areas only, socially distancing of 6 feet will be in effect and there will be no fellowship gathering. For a detailed explanation of our five-phase approach you can check the website at [countrysideucc.org/covid19](http://countrysideucc.org/covid19). The guidelines are reviewed on a monthly basis at Church Council meetings.

## WORSHIP ONLINE AT KMTV CHANNEL 3 AT 10:30 AM

In March there are two ways to catch Countryside Community Church on Sunday mornings. The first is online through YouTube live which you can connect with at [countrysideucc.org/live](http://countrysideucc.org/live) or on KMTV Channel 3. Both will begin at 10:30 AM.

## LENT WORSHIP SERIES: CULTIVATING THE WILDERNESS

Rev. Patrick Messer will be our guest preacher during Lent. Each Sunday we will be hearing from Patrick Messer as he shares from both the old testament and the new testament a worship series titled Cultivating the Wilderness. Rev. Messer originates from First Plymouth, our sister United Church of Christ church in Lincoln, NE, but has moved and will be joining us virtually from Kentucky. Patrick is committed to God's call to preach the gospel of God's unconditional love for all people, and to shaping the church into the kind of community whose love and inclusivity is capable of capturing the hearts and imagination of a whole city. He earned a bachelor of arts degree in Religion and Philosophy from Georgetown College in Kentucky, and went on to earn a Masters of Divinity degree from Duke Divinity School in Durham, North Carolina.

Rev. Patrick Messer

**March 7 - Exodus 34:1-7a** - This passage takes place after God seals the covenant with Moses on Sinai only for Moses to return to the encampment that is worshiping the golden calf.

**March 14 - Matthew 4:1-4** - The beginning of Jesus's temptation in the wilderness during which Jesus is tempted to turn stones into bread.

**March 21 - Matthew 4:5-7** - The second temptation during which Jesus is invited to test God and make security paramount in the process.

**March 28 - Matthew 4:8-11** - The final temptation during which Christ is given the opportunity to manifest power and leadership as defined by an imagination of empire.

## COFFEE TALK WITH DIANE AND BILL

Coffee Talk with Diane Scott and Bill Bolte will continue in March at 10 AM on Sunday mornings. You can find the link on [countrysideucc.org/calendar](http://countrysideucc.org/calendar). Come join the fun before Sunday service!

## BOARD OF CHRISTIAN OUTREACH EASTER OFFERING - 100 BLACK MEN

The 2021 BOCO Easter offering is 100 Black Men of Omaha, Inc. Our support of this organization during a year of increased awareness of the racial disparities experienced in the world and within our own communities was a critical component of the selection this year. Omaha was at the forefront of complicated racial issues throughout the summer of 2020 and we want to outwardly recognize an organization responding to the crises and filling an important role for those directly affected by systemic racism. The 100 Black Men of Omaha, Inc. was established in 1995 when a group of concerned men realized that the survival of the Omaha community rested on their willingness to join together and be a vehicle for positive change. The 100 is committed to the intellectual development of our youth and the empowerment of the African-American community based on the following precepts: respect for family, spirituality, justice and integrity. Over the years members, volunteers and staff have leveraged resources to develop a system based on our "Four For The Future" initiatives. These categories consist of Mentoring, Education, Health & Wellness and Economic Empowerment programs. Countryside members will be receiving information in March on how to support the 100 Black Men organization through our Easter offering. Donations can be made out to Countryside and sent to the church or go to [Countrysideucc.org/give](http://Countrysideucc.org/give) to donate online.

## COME WALK THE LABYRINTH IN COUNTRYSIDE'S CHAPEL DURING LENT

Lent is a time for self-examination. It gives us an opportunity to look into our souls through prayer and to consider how we are succeeding—or failing to succeed—in following the example of Christ. ... Walking the labyrinth has long been recognized in the Christian Church as a way to focus our minds on prayer.

Each week Countryside will provide copies of the scripture beside the labyrinth, along with general suggestions for the labyrinth walk to help guide your Labryinth walk, if you would like some material to help you focus.

The Chapel and Sanctuary at Countryside are open daily from 8 AM - 4 PM, Monday - Friday and we invite you to come walk the labyrinth we have set up. You do not need to set up an appointment, we just ask that there is only one person (or family on the labyrinth at a time). You may also use the Sanctuary for sitting in silence, reading the bible or other devotional readings. It is really up to you, how you would like to use your time. Masks and social distancing are required. The hours are Monday - Friday, 8 AM - 4 PM. Please email the office if you have any questions [office@countrysideucc.org](mailto:office@countrysideucc.org).

### Abraham's Whiteboard: The Search for Hidden Teachings in the Gnostics of Early Christianity

**Thursday, April 1, 6:30 PM- 8:00 PM, via Zoom**

Even at its earliest points, Christian groups had diverse and often opposing viewpoints on important and commonly held beliefs and practices. When some Christian leaders were able to achieve political power, gnostics were deemed heretics and most of their texts were burned, but scholars were able to obtain copies of surviving texts many centuries later from Nag Hammadi, Egypt in 1945. So what did gnostics believe and practice? Join us to find out!

Abraham's Whiteboard is a monthly educational class led by Education Director, Jeremy Fricke, on a wide variety of religious topics, from world religions like Hinduism and Buddhism to special topics like how definitions of religion impact our own religious identities. All Abraham's Whiteboard sessions are open to all people regardless of background, but will connect the content to Judaism, Christianity, and/or Islam.

Registration required - go to [trifaih.org/events](http://trifaih.org/events) to register.

## BOARD OF PASTORAL CARE'S 2021, THE YEAR OF "COURAGEOUS HOPE"

The Board of Pastoral Care has enjoyed presenting our multi-generational "Wisdom of the Ages" with you each month in 2020. Our newsletter feature for 2021 will be "Courageous Hope." The word "courage" derives from "coeur," a French word meaning "heart." We'll be sharing heartfelt, courageous stories and examples throughout the new year. If you have a story or example to share, let Jan Brown know, please. Countryside is poised for a year of new beginnings, and we hope that our new theme will resonate with you. Below is our final feature for "Wisdom of the Ages," thank you for reading it, and thank you to all who've shared their wisdom and memories with us this past year!

## COURAGEOUS HOPE/THE STORY OF EVERYONE

"Courageous hope" when fed by love is manifested in actions we do for both ourselves and others. It takes courage to be our authentic selves with another person, and the fuel for this desire is not self-absorbed, narcissistic love. Rather, it's more a type of "agape" love which transforms into everyday acts of emotional, spiritual and social care which we offer to each other.

It is the care that I give to another person and which also feeds my soul: the times when I sit up all night with a loved friend or partner while they battle cancer or other serious illness; when I help someone in a wheelchair get through a doorway; when I play with a child and let my young, inner child come alive and play, too; when I sit with someone in silence and let the silence offer healing. It is saying "Me Too" even when my story is hard to share.

All of these things may seem courageous, but yet they are just everyday acts which, in turn, feed my soul as I offer my authentic self, my Divine light, to another. To me, this willingness to be an everyday presence represents the most courageous act of all.

I wish to stay anonymous for this writing because I believe it is everyone's story. Anyone could have shared similar small, courageous acts. I pray that we take a minute to appreciate ourselves and the courage that inhabits us through the Spirit. May we know that presence and share it with others.

"For the entire law is fulfilled in keeping this one command: "Love your neighbor as yourself." ~Galatians 5:14

## COUNTRYSIDE WILL HOST INFORMATIONAL ZOOM SESSIONS

Countryside has so much to offer we'd like to share it with the world- or at least some of the 4,000 plus people who have been watching us on TV on Sunday mornings. Consider inviting your friends and family members to some short informational sessions we'll be hosting on different areas of the church as Countryside 101 this spring. We'll be looking at our partnership with Tri-Faith, the mission and meaning of the UCC, Arts, Engagement, Youth and Pastoral Care. Countryside has something to offer everyone and YOU are the best ambassadors.

**March 8, Monday, 7:00 PM Engagement.** Prayer chains, book groups on racial justice and the opportunity to volunteer and help others are all parts of Engagement at Countryside. Diane Scott is Countryside's Community Engagement coordinator.

**March 9, 7 PM Countryside is the Christian partner of the Tri-Faith Initiative and also part of the United Church of Christ.** After a huge capital campaign and years of construction, the church and its congregation moved on April 4, 2019, to join Temple Israel, the American Muslim Institute and the Tri-Faith building at 132 and Pacific. The vision of the Tri-Faith Initiative is: "to build bridges of respect, acceptance, and trust. We strive to challenge stereotypes, to learn from each other, and to counter the influence of fear and misunderstanding." Countryside is affiliated with the UCC (United Church of Christ) which has Congregationalist roots that date back to the Pilgrims who landed on Plymouth Rock in 1620. The UCC also led the way in social justice issues such as climate change and Black Lives Matter.

**The Arts at Countryside (TBA).** Perhaps one of the most exciting things to happen at Countryside this year was the acquisition of the John-Paul Buzard Pipe Organ Opus 47. This is the first new pipe organ in Omaha in nearly 20 years and one of the best in the region. In addition, there are adult and children's choirs and many other musical opportunities available. Faith Singers (high school) have an annual tour. Alex Ritter is Countryside's artistic director. Follow C-10 for date of this Zoom session.

**Thursday, March 18, 7:00 PM Children and Youth.** Children's programs such as Holy Moly and Core 56 are available every week. Sunday school has continued with the delivery of Sunday school packets. Confirmation takes place for seventh and eighth graders. Trips and opportunities for fellowship will resume when safe for Countryside youth groups (COYO). Rebecca Morello is Countryside's Director of Youth and Families.

**Sunday, March 28, 11:15 AM to 11:45 AM Pastoral Care.** We reach out to those in our congregation with prayers and visits and help during life's challenging times. There is a weekly prayer chain and a strong Stephen Ministry program. Jan Brown is the Pastoral Care Coordinator.

Zoom sessions can be found at [countrysideucc.org/calendar](http://countrysideucc.org/calendar)

## COUNTRYSIDE'S COMMITMENT TO CREATION JUSTICE PANEL DISCUSSION, MARCH 24, 7 PM VIA ZOOM

Come find out more about this exciting opportunity on Wednesday, March 24 at 7:00 PM on Zoom.

Countryside would like to take the next step in our commitment to the environment and become a UCC Creation Justice Church. We have already taken many environmentally friendly actions: geothermal HVAC system in our new building, pollinator friendly landscaping, a ban on Styrofoam products, recycling and composting of paper and food waste. The Faith and the Environment Committee wants to take our stewardship of the environment to this next level. In so doing, we would be integrating conservation conscientiousness in all aspects of church life, we would expand our efforts to the wider Omaha community and we would be making a formal commitment to ourselves and the national church, to place the preservation of God's creation at the forefront of all we do now and in the future. We have asked two UCC experts, Rev. Dr. Robert Shore Goss and Dr. Claire Stileto, to explain this process and share their experiences attaining the Creation Justice Church designation. Both Robert and Claire have shepherded many churches throughout the designation process. We invite you to join us as we take a look at taking this next, exciting commitment. The link for this Zoom meeting can be found at [countrysideucc.org/calendar](http://countrysideucc.org/calendar).

## UCC LENTEN DEVOTIONALS STILL FOR SALE

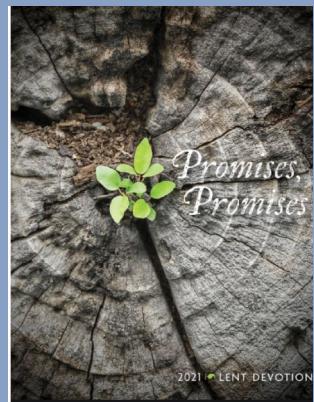

Has God's steadfast love ceased? (Psalm 77:8)

We know, we know. You've been burned before. Your trust has been bent to the limit, then snapped. Politicians. Lovers. Broadband providers. That very expensive eye cream. Western civilization. The church. They promised so much -- and it hardly matters whether they simply tried and failed, or never intended to honor their promises in the first place.

They say God isn't like the ones who let you down. But it's hard not to look at God with the same jaded eye you've begun to cast on everything else. "Promises, promises," you sneer, and resume doom scrolling.

This Lent, bring your cynicism and your scars. But be sure you bring, too, that little bit of hope you still have for a God who won't let you down.

From the writers of the popular online Daily Devotional, Promises, Promises includes a biblical text, reflection, and prayer for each day of Lent until Easter Sunday. Email the office at [office@countrysideucc.org](mailto:office@countrysideucc.org) to arrange getting your copy. Or you can stop by from 8 AM - 4 PM Monday - Friday and pick one up. A -\$5 suggested donation for the devotional.

## YOUTH UPDATE

### Children's Ministries

#### Online Sunday School schedule:

**March 14- Jesus and the Children**—Jesus reminds us that children have much to teach us about coming toward God. When we reach out with love in our questions and eagerness to listen and learn, good things will grow.

**March 21- The Parable of the Sower**— In the Parable of the Sower, Jesus suggests that God's "seeds" will be generously scattered anywhere and everywhere, equally available for all to receive. How will we receive that seed and nurture it?

**March 28- Communion**—Jesus gathered his friends around a table and instructed them with the words "take and eat" and "do this in remembrance of me." We recall that meal as having been the last Thursday of his life, often connecting it to a shared Passover meal. Today we think about that meal celebrated over time and around the world in many of its iterations.

#### Core 56

We continue to meet over Zoom on Wednesdays at 6:30 PM.

#### Youth

As COYO continues to meet over Zoom on Sundays at 6:30 PM, we are also introducing opportunities to learn prayer practices, do a book study around Stamped by Jason Reynolds and Ibram X. Kendi, and movie nights! As group size is limited, activities that happen outside of a virtual space will require registration. We will do our best to make sure that everyone who wants to participate has an opportunity to do so!

## HOLY WEEK

### MAUNDY THURSDAY, APRIL 1, 7 PM VIA ZOOM

\*We will livestream the service also on the website and YouTube. All links can be found on the church calendar.

Come join Countryside as we hear from the voices of people who had front row seats to this incredible real-life drama of Holy Week. Sometimes this drama feels only like just a story to those of us who have heard it so many times. But it was real. It was painful and rich and life-changing for generations and generations of Christians after it, but how much more so for those who lived then and loved this man named Jesus. Let us allow these ancient people to call us more deeply into our faith story.

### #FOLLOW THE CROSS - FRIDAY, APRIL 2 AND SATURDAY, APRIL 3

**Friday, April 2, 5 - 8 PM and Saturday, April 3, 4 - 7 PM at Countryside Community Church**

After the success of Follow the Star, we will be replicating that event for Easter, with #Follow the Cross. With masks and social distancing, we will provide eight stations that will offer thoughtful reflection, music, prayer and safe interactive activities. On Good Friday, April 2, 5-8 PM and Saturday, April 3, 4-7 PM, you may schedule a time to walk through each of the unique stations. Please join us as we celebrate the lead-up to Easter Sunday.

Registration will be required, go to [countryside.org/register](http://countryside.org/register).
